Members of the Planning Commission are appointed by Kent City Council and serve without compensation. Certain cases such as Conditional Zoning Certificates, Special Zoning Permits, Overlay District Projects and Zoning Amendment require Public Hearings before the Planning Commission. During the Public Hearing, any person wishing to address their concerns to the Commission will be provided the opportunity. Once the Public Hearing is closed, it shall be the discretion of the Chair whether to allow any additional public comment. Cases such as Site Plan Reviews and Subdivision Projects do not require a Public Hearing. However, the Chair will allow public comment on each case as it is taken on the agenda. In each instance where the Commission receives public comments or conducts a Public Hearing, those persons wishing to address their concerns to the Commission will be required to do so under oath or positive affirmation. The oath or affirmation shall be administered to all who wish to speak at the beginning of the Planning Commission Meeting. Once a decision has been made by the Planning Commission on a case, the Case is closed for the Commission, as there is no provision to reopen a case. With the exception of cases falling under the Subdivision Code, any decision of the Planning Commission may be appealed to the City’s Board of Zoning Appeals in accordance with the Chapter 1109 of the Zoning Code. Anyone interested in appealing a decision of the Planning Commission is advised to seek private legal counsel.
