CONTRACT FOR SALE AND PURCHASE OF REAL PROPERTY
WITH BUILDING(S)

PARCEL(S): 28 WDV
POR-CRAIN AVENUE

This Agreement is by and between the City of Kent ["Purchaser"] and Salvatore E. Cali, Trustee; "Seller" includes all of the foregoing named persons or entities. Purchaser and Seller are referred to collectively in this Agreement as "Parties."

In consideration of the mutual promises, agreements and covenants herein contained the Parties contract as follows:

1. **Price and Consideration**

   Purchaser shall pay to Seller the sum of $284,570.00, which sum shall constitute the entire amount of compensation due Seller for: (a) the real property to be conveyed, including all fixtures; (b) any and all damages to any residual lands of Seller; (c) Seller’s covenants set forth herein; (d) any and all supplemental instruments reasonably necessary to transfer the title of the subject property.

   Seller shall be exclusively responsible for all delinquent taxes and assessments, including penalties and interest, and for all other real estate taxes and assessments that are a lien as of the date on which this Agreement closes. The taxes and assessments for the current calendar year shall be prorated on an estimated basis to the date of acquisition of title or date of possession, whichever is earlier in time. Seller shall be responsible for any and all future installments of any special assessments levied and assessed against the real property, whether or not any such special assessment has been certified to the county auditor for collection, provided that such installments of special assessments shall be a lien on the subject real property as of the date of transfer of title. Purchaser may withhold in escrow a sufficient amount of the purchase money to satisfy the foregoing items to be paid by Seller; any balance remaining after such taxes, assessments, etc., are discharged shall be paid to Seller and any deficiency shall be the responsibility of Seller.

2. **Estate Sold and Deed to Transfer**

   Seller, upon fulfillment of all the obligations and terms of this Agreement, shall sell and convey to Purchaser, its successors and assigns, the property which is more particularly described in Exhibit A attached hereto and by this reference incorporated herein, together with all the appurtenances and hereditaments thereunto belonging and with all buildings and improvements now located thereon, and all fixtures of every nature now attached to or used with said land, buildings and improvements including, but not limited to, all heating, hot water, air conditioning, plumbing, attached electrical fixtures with bulbs or tubes, window shades, venetian blinds, curtain and traverse rods, awnings, storm and screen sashes and doors, and shrubbery and trees.
If the rights, titles and estates described in Exhibit A constitute the fee simple in, to and of the real property, then such sale and conveyance by Seller shall be by a good and sufficient general warranty deed with, if applicable, full release of dower. In the event the rights, titles, and estates described in Exhibit A constitute something less than the fee simple of the real property, then such sale and conveyance by Seller shall be by a good and sufficient deed or other instrument regularly and ordinarily used to transfer such lesser rights, titles and estates with, if applicable, full release of dower.

3. **Limited Access Parcels - Waiver of Abutters' Rights**

If the property described in Exhibit A is designated by Purchaser as a limited access parcel, then Seller further agrees to release to Purchaser, its successors and assigns, any and all abutters' rights, including access rights, appurtenant to any remaining lands of Seller (from which the property described in Exhibit A is being severed) in, over, on, from and to the property described in Exhibit A.

4. **Supplemental Instruments**

Seller agrees to execute any and all supplemental instruments or documents necessary to vest Purchaser with the rights, titles and interests described in Exhibit A.

5. **Warranty of Title**

6. **Elimination of Others' Interests**

Seller shall assist, in whatever manner reasonably possible under the circumstances, to procure and deliver to Purchaser releases and cancellations of any and all other rights, titles and interests in the property described in Exhibit A, such as, but not limited to, those belonging to tenants, lessees, mortgagees or others now in possession or otherwise occupying the subject premises, and all assessment claims against said property.

7. **No Change in Character of Property**

Seller shall not change the existing character of the land or alter, remove, destroy or change any structure or fixture located on the property described in Exhibit A. If, prior to the date on which possession of the subject property is surrendered to Purchaser, the subject property, including structures and fixtures, suffers any damage, change, alteration or destruction then, and without regard to the cause thereof, Seller shall restore the subject property to the condition it was in at the time Seller executed this Agreement; in the alternative, Seller may agree to accept the abovementioned purchase price less the costs associated with such restoration. If Seller refuses to either restore the premises or accept the decreased consideration as abovementioned, then Purchaser, at its option after discovery or notification of
such damage, change, alteration or destruction, may terminate and cancel this Agreement upon written notice to Seller.

8. **Offer to Sell**

If Seller executes this Agreement prior to Purchaser, then this Agreement shall constitute and be an Offer to Sell by Seller that shall remain open for acceptance by Purchaser for a period of 20 days immediately subsequent to the date on which Seller delivers such executed Agreement to Purchaser. Upon Purchaser’s acceptance and execution of this Agreement within said period of 20 days, this Agreement shall constitute and be a valid Contract for Sale and Purchase of Real Property that is binding upon the Parties.

9. **Designation of Escrow Agent**

Seller agrees that Purchaser may designate an escrow agent to act on behalf of the Parties in connection with the consummation and closing of this Agreement.

10. **Closing Date**

Provided, however, in no event shall such consummation and closing occur more than 120 days after the last date on which one of the Parties executes this Agreement.

11. **Physical Possession of Structures Occupied by Seller**

Seller shall surrender physical possession of all structures occupied by Seller, or the portions thereof occupied by Seller, to Purchaser not later than 30 days after Purchaser tenders the purchase price to Seller. Seller agrees that Purchaser may withhold in escrow from the purchase price the sum of $N/A to ensure that the subject structures will be vacated on or before the 30 days mentioned above and that the subject structures will be surrendered to Purchaser in the same condition as it was in at the time Seller executed this Agreement. If Seller properly vacates and surrenders possession of the subject structures as aforesaid, then said $N/A shall be paid immediately to Seller. If the subject structures are not vacated as aforesaid, a rental agreement for the subject structures shall be entered into by the Parties, in which Seller shall be the lessee and Purchaser shall be the lessor, and upon execution of such rental agreement the said $N/A shall be paid immediately to Seller; in the event Seller fails or refuses for any reason to enter into such rental agreement, then Purchaser may retain all or part of the said $N/A withheld in escrow to compensate Purchaser for the reasonable amount of rent that Seller owes for holding over possession of the subject structures, plus an amount to pay for any taxes, assessments and for any costs of restoration necessary to put the structures in the same condition as they were at the time Seller executed this Agreement.
12. **Physical Possession of Vacant Land and Structures**

   Seller shall surrender physical possession of vacant land and vacant structures to Purchaser not later than the date on which Purchaser tenders the purchase price to Seller.

13. **Control of Property Occupied by Seller’s Tenant(s)**

   Control of property occupied by Seller’s tenant(s) shall be assumed by Purchaser on the date Purchaser tenders the purchase price to Seller. From that date forward, Purchaser shall be entitled to collect and retain as its own funds any and all rental payments thereafter made by such tenant(s). If any rents due under the lease(s) with Seller have been prepaid by Seller’s tenant(s), then said prepaid rents shall be prorated to the date on which the purchase price is tendered by Purchaser, and said prepaid rents shall be paid to Seller and Purchaser in accordance with such proration.

14. **Binding Agreement**

   Any and all of the terms, conditions and provisions of this Agreement shall be binding upon and shall inure to the benefit of Seller and Purchaser and their respective heirs, executors, administrators, successors and assigns.

15. **Multiple Originals**

   This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together shall constitute but one and the same instrument.

16. **Entire Agreement**

   This instrument contains the entire agreement between the Parties, and it is expressly understood and agreed that no promises, provisions, terms, warranties, conditions or obligations whatsoever, either express or implied, other than herein set forth, shall be binding upon Seller or Purchaser.

17. **Amendments and Modifications**

Reviewer's Reasoning for the Value Estimate:

The larger parcel before the take consists of 0.32 gross acres/0.32 net acres and is improved with a one-story building that has been previously utilized as a restaurant and associated improvements. The structure is currently vacant. The highest and best use in the before situation "as vacant" is commercial. The improvements represent the highest and best use in the before situation "as improved".

The estimated value of the subject property before the take is $246,000.

The plans call for a total take identified as 28-WDV.

The appraiser utilized comparable sales to estimate the value of the subject property "as vacant" within the Sales Comparison Approach. The Sales Comparison Approach "as improved" was utilized. Due to the age and depreciation of the structure, the Cost Approach is not applicable and was not utilized. Due to the lack of data, the Income Approach was not utilized. Overall, the appraiser presents sufficient support for the value presented.

GAT, 1/17/08, 200116, Cert. #396169.

Administrative Review

Pee owner was offered $246,000 for this parcel. They have requested $284,570 for settlement, which is an increase of $38,750.

The property owner provided additional documentation justifying a minimal increase in respect to the value attributed to the structure. This property owner was trying to sell their property due to age and ill health, however because of the impending project were unable to sell this property. This parcel would have meet the criteria of an advance acquisition if the City would have purchased prior to Notice to Proceed. This parcel could result in an unfavorable verdict that would far exceed the proposed counter offer requested and the cost to appropriate this parcel could far exceed the requested increase.
