RE: Proposed Amendment to Zoning Districts Map

The City of Kent Planning Commission voted on February 5, 2019 to recommend to Kent City Council a proposed amendment to the City’s Zoning Districts Map that if authorized by Council, will allow 3.191 acres to be re-zoned from its current “Industrial (I)” zoning designation to “Commercial-Downtown (CD).” The Planning Commission did add a condition to its recommendation requesting that if the amendment to the Zoning Districts Map is authorized by Council, the authorization for the re-zoning include a covenant be recorded with the newly designated parcel requiring all future uses “whether the use is permitted or conditionally permitted, any parking plan for this parcel, on-site or off-site, must be submitted to and approved by the Planning Commission” (approved minutes, 2-5-19 Planning Commission meeting).

Consideration of a geographic amendment to the Zoning Districts Map cannot be based on the removal or accommodation of any one specified use. The Planning Commission and City Council are required to evaluate all of the current uses and proposed changes in uses when deliberating a Zoning Districts Map amendment request. In order to ensure the members of Council have all of the information necessary for consideration of the proposed re-zoning amendment, staff has compiled the following information and attached it to this memo:

- List of requirements applicable to all applicants requesting a proposed amendment to the City’s Zoning Districts Map, per Chapter 1111 “Zoning Amendments” of the City’s Zoning Code, and staff’s determination on if the applicant complied with the specified requirements;

930 Overholt Rd., Kent, Ohio 44240 • (330) 678-8108 fax (330) 678-8030 • www.KentOhio.org
• List of all permitted and conditionally permitted uses for the “Industrial (I) Zoning District,” which are the current eligible uses that can be considered for development of the site;

• List of the permitted and conditionally permitted uses for the “Commercial-Downtown (CD) Zoning District,” which are the uses that will be eligible for site development consideration if the amendment is approved.

As previously requested by Jen Barone in her March 11, 2019 memo, please schedule this item for consideration by the Land Use Committee. I will be attending the session in order to discuss the proposed re-zoning amendment request in greater detail and to answer any questions from members of Council as they evaluate the Planning Commission’s recommendation on this matter.

Please let me know if you require any additional information in order to add this item to the April 3, 2019 Land Use Committee agenda. Thank you.

DEPARTMENT OF COMMUNITY DEVELOPMENT

PLANNING COMMISSION CASE NO: PC19-002 PARCEL REZONING

APPLICANT: NYPANO Company LLC

SITE LOCATION: 200 West Williams Street

STATUS OF APPLICANT: The applicant is the owner of the property.

REQUESTED ACTION: The applicant is requesting the rezoning of a portion of the parcel from its current I: Industrial zoning classification to the C-D: Commercial-Downtown zoning classification.

CURRENT ZONING: I: Industrial

TRAFFIC: The parcel is accessed from West Williams Street.

SURROUNDING LAND USES: The property is surrounded by residential uses to the east, industrial to the south, and railroad tracks & the Cuyahoga River to the north & west.

APPLICABLE CODE SECTIONS: Chapters 1111, 1146, and 1155 of the Kent Codified Ordinances.

ANALYSIS:
The applicant is requesting a change in the City of Kent Zoning Districts Map in accordance with 1111.02(d) by rezoning of a proposed 3.191 acre parcel from its current I: Industrial classification to the C-D: Commercial-Downtown classification. According to the cover letter submitted by the applicant, the 3.191 acre parcel will be split from the current 15.2 +/- parcel to allow for commercial development due to its proximity to downtown.

Chapter 1111 of the Kent Zoning code specifies the process for requesting a zoning map amendment. The evaluation criteria is listed in 1111.03 and are listed below. Staff's evaluation of the fulfillment of these requirements is listed in green below each section.
(a) For all applications, regardless of whether they are text amendments or zoning map amendments:

1. If application is initiated under Section 1111.02(d), application shall be submitted on forms made available by the Community Development Department.

2. If application is initiated under Section 1111.02(d), the fee as specified in Section 1312.02(b) of the Kent Codified Ordinances. Payment of the fee is not refundable.

3. Any and all information required by the Community Development Department and this Chapter of the Kent Zoning Code.

The requirements set forth in 1111.03(a) are procedural in nature. City Staff can affirm that these conditions have been met.

(b) In addition to the requirements set forth in Section 1111.03(a), for applications involving the amendment of the City's Zoning Map including the amendment of zoning district boundary lines and/or the creation of new zoning districts:

1. In the event that the applicant is not the owner of the property / properties to be rezoned, and if the application is initiated under Section 1111.02(d), the applicant shall provide evidence of written authorization from the property owner(s) of the properties involved in the amendment that they have been authorized to pursue the map amendment or change on behalf of the property owner(s).

2. A clear delineation on a map showing property lines, tax map, survey or other document which describes the parcel(s) to be included in the proposed amendment.

The requirements set forth in 1111.03(b)(1)&(2) are procedural in nature. City Staff can affirm that these conditions have been met.

3. A written description of the proposed amendment, including a specific indication of how the zoning map is to be amended, including but not limited to a description of the current zoning classification(s) of the properties to be amended, the proposed classification(s) of the properties to be amended and how the proposed rezoning does not constitute "spot" zoning.

The requirements set forth in 1111.03(b)(3) require a written description of the proposed amendment, including a specific indication of how the zoning map is to be amended, including, but not limited to a description of the current zoning classification(s) of the properties to be amended, the proposed classification(s) of the properties to be amended and how the proposed rezoning does not constitute "spot" zoning. The Law Department has reviewed the application. The application does speak to each of these issues. The applicant stated in the cover letter that the proposed rezoning would not qualify as "spot" zoning because the proposed zoning classification (Commercial-Downtown) is contiguous to the Commercial-Downtown zoning district to the north.
(4) A written description of how the proposed amendment is consistent with any City Master Land Use Plan or other approved City plan as well as how the proposed change is beneficial to the subject property / properties, how the proposed change is beneficial to the City and surrounding neighborhood and how the proposed change will not negatively impact the surrounding neighborhood.

The requirements set forth in 1111.03(b)(4) require a written description of how the proposed amendment is consistent with any City Master Land Use Plan or other approved City plan as well as how the proposed change is beneficial to the subject property / properties, how the proposed change is beneficial to the City and surrounding neighborhood and how the proposed change will not negatively impact the surrounding neighborhood. The applicant states that goals set forth in the 2004 comprehensive plan, listed below, can be incorporated with new development.

- Encourages the development of Industrial properties in the district
- An enhanced and visually appealing secondary entry into the city via Mogadore Road by creating new development complimentary to the existing area and the associated new landscaping appurtenance related thereto
- Enhanced future tax receipts and associated revenues to the City
- Creates a safe "walkable" link corridor from the downtown area to the Post Office
- Creates a safer more pedestrian and vehicular friendly intersection at Franklin and Summit Streets
- Incentivizes future new development in the downtown district

The applicant stated numerous benefits to the City, including:

- Expanded economic growth
- Create safe pedestrian sidewalks
- Create employment opportunities
- Connect the district to the bike trails
- Facilitate economic opportunities for all of Kent’s diverse residents
- Under the plan’s “The Economy” section and listed as Goal #1 – Develop: “incentivizes that encourage continued investment in the Central Business District. Review zoning and building regulations to make changes beneficial to the Central Business District

(5) If the application is initiated under Section 1111.02(d), a list of current property owners within and contiguous to and directly across the street from any part of the defined area to be amended or 500 feet from such area, whichever is greater, as well as the addresses of such owners which shall be those that appear on the County Auditor's Tax List or the Treasurer's mailing list.

(6) If the application is initiated under Section 1111.02(d), a certified copy of each and every tax map page used to obtain the list of names of the property owners being submitted.
The requirements set forth in 1111.03(b)(5)&(6) are procedural in nature and are more accurately replaced by software contained within the Community Development office. City Staff will waive these requirements in favor of its more accurate database and resulting mailing list for notification.

(c) In addition to the requirements set forth in Section 1111.03(a), for applications involving the amendment of the text of the Zoning Code, including amendments to existing chapters or the creation of new chapters:

1. A statement of the proposed text change in the regulations set forth in this Zoning Ordinance. This statement should reference the specific Section(s) of the existing code which are proposed to be amended along with the proposed wording to be added, modified or deleted as part of the amendment.

2. A written description of how the proposed amendment is consistent with any City Master Land Use Plan or other approved City plan as well as how the proposed change is beneficial to the City and other land uses within the City.

The requirements set forth in 1111.03(c) do not apply to a zoning map change.

The Planning Commission and Kent City Council must consider that any of the uses, permitted or conditionally permitted, in the C-D District may be built on this parcel. The current I District uses and the uses for the proposed C-D District are included herewith:

I hereby respectfully request City Council agenda time on April 3, 2019 for Council to consider a zoning map amendment to change a 3.191 acre parcel from I: Industrial to C-D: Commercial-Downtown.

On February 5, 2019 the Kent Planning Commission held a public hearing and discussed the proposed zoning change. The Planning Commission voted 5-0 to recommend that City Council amend the zoning map to change the parcels delineated on the attached map from I: Industrial to C-D: Commercial-Downtown with a covenant, “Whether the use is permitted or conditionally permitted, any parking plan for this parcel, on-site or off-site, must be submitted to and approved by the Planning Commission.” A copy of the proposed zoning map amendment area is attached.

A public hearing regarding this matter was advertised to be held prior to the April 3, 2019 prior to the Committee session. Please schedule this item for Land Use Committee review by Kent City Council.

RE: New Special Event Application – Kent Torch Fest

The City Manager’s Office has received a special event application for a new event known as the Kent Torch Fest and requires council approval. This event will take place Thursday, June 20th from 4-9pm on West Main Street, including the Main Street Bridge, between River Street and Water Street. The Franklin Mills Riveredge Park and Hometown Bank Plaza will also be included in the festival activities.

The event will temporarily close West Main Street from River to Water Streets beginning at 10am on Thursday, June 20th and continue until 10pm that evening.

The Kent Torch Fest is an event for residents, businesses, and the community to commemorate the 50th anniversary of the Cuyahoga River fire that occurred on June 22, 1969 and celebrate the work of the Kent community to make the river a destination for all to enjoy.

This event is part of a regional collaboration and includes a series of local ceremonies along the entire length of the Cuyahoga River. The first festival in the series will be held in downtown Kent (i.e. Kent Torch Fest).

The festival will include art installations, food vendors, and live music. A ‘Passing of the Torch’ ceremony will begin at 6:00pm in Franklin Mills Riveredge Park and culminate with the unveiling and dedication of a commemorative relief as well as highlight the Cuyahoga River as a national Water Trail.

Please let me know if you have any questions concerning the attached materials or if you need any additional information.

For more information on the Kent Torch Fest and regional Xtinguish Celebration series please visit https://xtinguishcelebration.com/torch-fest/.

Thank you.

Petition to Businesses: Kent Torch Fest – Thursday, June 20, 2019 Road Closure

The Kent Torch Fest is an event for residents, businesses, and the community to commemorate the 50th anniversary of the Cuyahoga River fire that occurred on June 22, 1969 and celebrate the work of the Kent community to make the river a destination. The Kent Torch Fest is part of a regional collaboration and includes a series of local ceremonies along the entire length of the Cuyahoga River. The first festival in the series will be held in downtown Kent!

The event will be held Thursday, June 20, 2019 from 4-9pm. Road closure of West Main Street between Gougler Avenue and Water Street would be in effect from 10am to 10pm.

We are asking business owners to sign this petition in approval of the proposed road closure of West Main Street between Gougler Avenue and Water Street. This petition will be presented to the City of Kent for approval before moving forward with further planning. Thank you for your consideration!

I support the proposed road closure of West Main Street between Gougler Avenue and Water Street for the ____ Kent Torch Fest ____ on ____ June 20, 2019 ___. The event will run from ____ 4pm to 9pm ____ with road closure in effect from ____ 10am to 10pm ____.

Main Street Kent (MSK) has staged the Wizardly World of Kent event in the downtown for the past three years, with attendance increasing every year. In order to better accommodate this increase and improve pedestrian flow and access to vendor services, Main Street Kent is seeking to expand the street closure area for this event.

Attached is a map depicting the current permitted street closure and the expanded area being proposed by Main Street Kent for North Water Street, from Main Street to Portage Street – expanded from Columbus Street.

I am respectfully requesting time at the April 3, 2019 Council Committee meeting to present the proposed expansion to the members of Council and to request their approval as part of the City’s event permitting process.

Please let me know if you have any questions concerning the attached materials or if you need any additional information.

Thank you.

Petition to Businesses: Wizardly World of Kent - July 27, 2019 Road Closure

After three very successful Kent Potterfest/Wizardly World of Kent events, Main Street Kent is planning a similar event for Sat., July 27, 2019. Due to the incredible amount of foot traffic created by this event, we feel it is imperative to the safety of event attendees and our community to close these streets for the event:

1. W. Main St., from Franklin Ave. to Water St.
2. E. Main St., from Water St. to DePeyster St.
3. N. Water St., from Main St. to Portage St. (new/expanded from Columbus St.)
4. S. Water St., from Main St. to Erie St.
5. E. Erie St., from the S. Water St. to DePeyster St.

We realize this may inconvenience some of our business owners; however the event planning committee feels this is necessary to ensure a safe, successful event.

We are asking business owners in the newly added event area to sign this petition in approval of the proposed road closure. This petition will be presented to the City of Kent for approval before moving forward with further planning. Thank you for your cooperation.

RE: New Special Event Application – Flashes Forever

The City Manager’s Office has received a special event application for a new event known as Flashes Forever and requires council approval. This event will take place Wednesday, May 8th from 6-8pm on North Water Street, between Main Street and Columbus Street. Hometown Bank Plaza will also be included in the event activities.

The event will temporarily close North Water Street, between Main and Columbus Streets beginning at 4pm on Wednesday, May 8th and continue until 10pm that evening.

The Flashes Forever event is hosted by the Kent State University Office of Alumni Relations to celebrate senior graduation in May 2019 and provide resources and connections for students as they transition into alumni status.

The event will include outdoor games and activities, food vendors, and live music. The KSU Office of Alumni Relations event organizers are pursuing a liquor permit from the State of Ohio Department of Commerce, Division of Liquor Control to allow alcohol in Hometown Bank Plaza. If approved, alcohol will be limited to Hometown Bank Plaza only and will include barricades with monitored entrances to ensure compliance set by the Division of Liquor Control. No alcohol will be allowed on North Water Street.

Please let me know if you have any questions concerning the attached materials or if you need any additional information.

Thank you.

Petition to Businesses: Flashes Forever May 8, 2019 Road Closure

After hosting our signature senior celebration last year in the Hometown Bank Plaza, the Kent State University Alumni Association is throwing a much bigger party for our graduating seniors on Wednesday, May 8, 2019. With the strong interest from our graduating seniors, we have outgrown the space and need to incorporate the streets for the celebration. There will be more food vendors and activities for our seniors as we send them off to become successful alumni.

We realize this may inconvenience some of the businesses on the street; however, we feel that it is necessary to ensure a successful event for the graduating seniors.

We are asking all business owners to sign the petition in approval of the proposed road closure. This petition will be presented to the City Council for approval before moving forward with the event planning. Thank you very much for your cooperation.

RE: Sublease Renewal: Haymaker Farmers’ Market

The City of Kent leases the unimproved area on the west side of Franklin Avenue, just south of the Treno Ristorante paved parking area, from the Akron Barberton Cluster (ABC) Railway Company, in order to provide space for additional long-term parking in the downtown business district. Since 2012, the City has allowed the Haymaker Farmers’ Market to sublease this area for use on Saturday’s, from 9:00 a.m. to 1:00 p.m., beginning with the first Saturday in May and extending through the last Saturday in October. The Haymakers’ Farmers Market is incorporated as a nonprofit organization and it leases the space from the City for the nominal annual fee of $1.00.

I am respectfully requesting time at the April 3, 2019 Committee session to have this item presented to the members of Council and to request Council’s authorization, with emergency, for the renewal of the sub-lease with the Haymaker Farmers’ Market for the 2019 outdoor market season.

If you need any additional information in order to add this item to the agenda, please let me know.

Thank you.

SUB-LAND LEASE

THIS SUB-LEASE, made this ______ day of _________, 2019, between THE CITY OF KENT, OHIO, whose address is 301 South Depeyster Street, Kent, Ohio 44240, hereinafter referred to as SUB-LESSOR, and HAYMAKER FARMERS’ MARKET, which has its summer market operations at the intersection of Franklin Avenue and Summit Street, Kent, Ohio 44240, hereinafter referred to as SUB-LESSEE.

I. PREMISES

SUB-LESSOR does hereby lease unto SUB-LESSEE certain unimproved land, located in the City of Kent, Portage County, Ohio, hereinafter called "the premises," as shown on the map attached hereto and hereby made a part hereof, described as follows:

Being a rectangular parcel of land located north of Summit Street, west of Franklin Avenue and east of LESSOR’s main line track containing an area of 0.168 acres, more or less as shown in green, attached hereto as Exhibit "A."

SUB-LESSOR currently leases the subject premises from Akron Barborton Cluster Railway Company (the ORIGINAL LESSOR) pursuant to a land lease agreement dated October 26, 2011, No. 35-04380, as amended July 16, 2014.

II. TERMS AND CONDITIONS

In consideration of the covenants and agreements herein contained and other good and valuable consideration, and intending to be legally bound, it is agreed as follows:

1. **Use.** SUB-LESSEE shall use and occupy the premises solely for the purpose of a farmers’ market held on Saturday morning (9:00 a.m. to 1:00 p.m.).

2. **Term and Rent.** To hold the demised premises for and during the term of May 4, 2019 through October 26, 2019 (unless sooner terminated as hereinafter provided) for the rent or sum of one dollar ($1.00) payable in advance.
3. **Expenses.** SUB-LESSOR shall be responsible for snow plowing costs, any utility costs or charges and shall maintain insurance on the premises pursuant to their lease with ORIGINAL LESSOR.

4. **Approval of Plans.** SUB-LESSEE, prior to erecting any structure on the premises, shall submit plans to, and secure approval in writing of, SUB-LESSOR and the ORIGINAL LESSOR. SUB-LESSEE shall not erect or place or allow to be erected or placed on the premises any buildings, structures, fixtures or obstructions of any kind, either temporary or permanent.

5. **Fire and Damage.** SUB-LESSEE shall cooperate with SUB-LESSOR and shall promptly comply with fire prevention measures requested by SUB-LESSOR. SUB-LESSEE shall make no electrical installation or alterations in and to the improvements or electrical circuits (whether for power, light, heat or other purposes) located on the premises except by a duly licensed electrician, and shall make no installation of natural gas, propane, kerosene or other combustion fuel heating or cooling units, except by licensed heating or cooling contractor; and no such alterations or installations shall be made without prior written approval of the ORIGINAL LESSOR.

6. **Ordinances and Regulations.**

6.1 SUB-LESSEE, at SUB-LESSEE’s sole cost and expense, shall comply with all applicable ordinances, rules, regulations, requirements and laws of any governmental authority having jurisdiction over the premises or SUB-LESSEE’s intended use thereof, including but not limited to zoning, health, safety, building or environmental matters. SUB-LESSEE shall supply SUB-LESSOR and ORIGINAL LESSOR with copies of letters or certificates of approval of SUB-LESSEE’s use.

7. **Maintenance and Repairs.**

7.1 SUB-LESSEE will not create or permit any nuisance in, on or about the premises, and SUB-LESSEE shall maintain the premises in a neat and clean condition. Any approved structures of SUB-LESSEE shall be erected and/or maintained on the premises by SUB-LESSEE to the satisfaction of the ORIGINAL LESSOR.

7.2 SUB-LESSEE will not utilize the City of Kent trash containers or the area near the trash containers, for the disposal of produce, perishable products, boxes, crates, storage containers, bags of trash or any other form of refuse generated by vendors operating on the premises.

7.3 SUB-LESSEE will not make, or permit to be made, any improvements or alterations to the premises without the written consent of the ORIGINAL LESSOR. Approval by the ORIGINAL LESSOR of any improvements or installations made by SUB-LESSEE, or failure of the ORIGINAL LESSOR to object to any work done or material used, or the method of construction or installation, shall not be construed as an admission of
responsibility by the ORIGINAL LESSOR or SUB-LESSOR or as a waiver of any of SUB-LESSEE’s obligations under this Sub-Lease.

7.4 All work performed by SUB-LESSEE, or SUB-LESSEE contractor(s), pursuant to Section 7 shall be subject to the written approval of the ORIGINAL LESSOR’s Chief Engineer or his duly authorized representative.

8. **Service and Utilities.** The ORIGINAL LESSOR will be under no obligation to furnish the premises with water, gas, sewage, electricity, heat or other services and supplies that may be necessary or desirable in connection with SUB-LESSEE use and occupancy of the premises. The SUB-LESSOR shall bear all costs of utilities used on the premises, including heat, electricity, hot water and sewer use charges. SUB-LESSEE shall reimburse SUB-LESSOR for any utilities SUB-LESSEE uses.

9. **Adjacent Areas.** Except as provided in Section 10 hereafter, SUB-LESSEE shall not use, for utility lines or otherwise, any property of the ORIGINAL LESSOR and SUB-LESSOR other than the premises herein leased without first obtaining ORIGINAL LESSOR’s prior written consent and complying with all requirements of the ORIGINAL LESSOR applicable thereto.

10. **Ingress and Egress.** The ORIGINAL LESSOR, SUB-LESSOR and SUB-LESSEE shall have the right to use, in common with SUB-LESSOR and others authorized by SUB-LESSOR, existing driveway(s) or other property designated by SUB-LESSOR as means of Ingress to and Egress from the premises. SUB-LESSOR shall be under no obligation with respect to the condition or maintenance of said driveway(s) or other property, and SUB-LESSEE use of same shall be subject to all of the covenants, terms and conditions of this Sub-Lease.

11. **Pipe and Wire Lines.** The ORIGINAL LESSOR shall at all times have the right to maintain and/or construct, and to permit others to maintain and/or construct, overhead and/or underground pipe and/or wire lines now or hereafter installed upon or across the premises, and to use, repair, renew and remove the same.

12. **Claim of Title.**

12.1 SUB-LESSEE shall not at any time own or claim any right, title or interest in or to the premises, nor shall the exercise of this Sub-Lease for any length of time give rise to any right, title or interest in or to the premises, other than the Sub-Leasehold herein created.

12.2 SUB-LESSEE shall pay all debts incurred to, and shall satisfy all liens of contractors, subcontractors, mechanics, laborers and material suppliers in respect to any construction, alteration and/or repair in and to the demised premises, and any improvements thereof. Further, SUB-LESSEE shall have no authority to create any liens for labor or material on or against SUB-LESSOR or the ORIGINAL LESSOR’s interest in the premises and shall specify in all contracts let by SUB-LESSEE for any construction, erection,
installation, alteration, maintenance or repair of any building or other improvement on the premises.

13. **Termination, Notices and Removal.**

13.1 This Sub-Lease may be terminated by either party at any time upon not less than thirty (30) days' notice in writing sent by registered or certified mail to the other party. However, in the event of a breach of any of the covenants, terms and conditions hereof by SUB-LESSEE, SUB-LESSOR shall have the right to terminate this Sub-Lease immediately.

13.2 Should original LESSOR terminate its lease with SUB-LESSOR, this Sub-lease between SUB-LESSOR and SUB-LESSEE shall also terminate.

13.3 Should SUB-LESSOR default on their lease terms to the ORIGINAL LESSOR, SUB-LESSEE may contact ORIGINAL LESSOR in efforts to step-in for SUB-LESSOR, correct the default of SUB-LESSOR, and take SUB-LESSOR'S role in the original land lease agreement dated October 26, 2011, No. 35-04380.

13.4 All notices and communications concerning this Sub-Lease shall be addressed to SUB-LESSOR or the SUB-LESSEE at their respective addresses hereinabove set forth or at such other, the ORIGINAL LESSOR, address as either party may designate in writing to the other party.

13.5 Upon termination of this Sub-Lease by expiration of term or any other reason, SUB-LESSEE shall remove all buildings or structures (except tracks, rail facilities and other designated property of the ORIGINAL LESSOR), within the time specified in any notice of termination or at the latest within fifteen (15) days after such termination. In effecting such removal, the premises shall be restored by SUB-LESSEE to a condition satisfactory to the ORIGINAL LESSOR, including the removal of all structures and facilities whether on the surface or underground) to ground level, and the filing of all excavations and holes, which shall be tamped, compacted and graded uniformly. If SUB-LESSEE shall fail to make the removal in the manner and time set forth herein, after notice to do so, SUB-LESSOR or the ORIGINAL LESSOR may remove said buildings, structures, and/or facilities and make said restoration, all at the sole risk, cost and expense of SUB-LESSEE, and may also dispose of any removed items without necessity to account for the same or to give further notice to SUB-LESSEE.

13.6 If SUB-LESSEE shall fail to make removal of any such property, SUB-LESSOR or the ORIGINAL LESSOR shall have the option to elect and notify SUB-LESSEE that all right, title and interest of SUB-LESSEE in certain building(s), structure(s) and/or facility(ies) shall be forfeit and may also dispose of any removed items without necessity to account for the same or to give further notice to SUB-LESSEE.

13.7 If SUB-LESSEE shall fail to make removal of any such property, the ORIGINAL LESSOR shall have the further option to elect and notify SUB-LESSEE that all
right, title and interest of SUB-LESSEE in certain building(s) and/or facility(ies) shall be forfeit and shall vest absolutely in the ORIGINAL LESSOR as of the date of notice of such election.

13.8 In the event that SUB-LESSEE prepays monthly or annual rentals in advance and this Sub-Lease is terminated by notice of either party (other than for breach or cause), SUB-LESSOR shall refund to SUB-LESSEE the proration of any prepaid base rental and taxes paid in advance, which SUB-LESSEE shall accept in full settlement, satisfaction and discharge of the remainder of the term or period.

14. **Lessor.** The term "the ORIGINAL LESSOR" as used in Section 14 hereof shall include any other company or companies whose property at the aforesaid location may be leased or operated by ORIGINAL LESSOR.

15. **Insurance.**

15.1 Prior to commencement of occupation or use of the premises/track for activities provided herein, SUB-LESSEE, at its sole cost and expense, shall procure and shall maintain during continuance of this Sub-Lease Public Liability Insurance covering liability assumed by SUB-LESSEE under this Sub-Lease with a combined single limit of not less than Two Million ($2,000,000.00) Dollars for personal injury and property damage per occurrence. SUB-LESSEE shall furnish the ORIGINAL LESSOR's Director of Real Estate, 100 East First Street, Brewster, Ohio 44613 a certificate of insurance referring to this Sub-Lease by date, name of SUB-LESSOR, description of Sub-Lease and location covered. The certificate shall be endorsed to provide for thirty (30) days' notice to said Director of Real Estate prior to termination of or change in the coverage provided. If a higher limit of liability is required by the ORIGINAL LESSOR, the ORIGINAL LESSOR shall provide written notice of the limit required and within thirty (30) days thereafter SUB-LESSEE shall provide revised certificate of insurance for the increased required limit. Furnishing of this insurance by SUB-LESSEE shall not limit SUB-LESSEE liability under this Sub-Lease but shall be additional security there for. SUB-LESSOR shall be named as an additional insured on said policy.

15.2 The insurance requirements herein are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The ORIGINAL LESSOR in no way warrants that the minimum limits contained herein are sufficient to protect SUB-LESSOR from liabilities that may arise out of the performance of the services under this Agreement by SUB-LESSOR, its agents, representatives, employees or subcontractors and SUB-LESSOR is free to purchase additional insurance as may be determined necessary.

16. **Condemnation.** Should the premises or any part thereof be condemned, appropriated and/or acquired for public use, then this Sub-Lease, at the option of SUB-LESSOR or the ORIGINAL LESSOR, shall terminate upon the date when the premises or part thereof shall be taken. No part of any damages or award shall belong to SUB-LESSEE, except to the extent of any specific award from the governmental authority for improvements
and/or facilities of SUB-LESSEE. SUB-LESSOR's land shall be valued as of such date (or other legal date of valuation) as vacant land, without consideration of this Sub-Lease or SUB-LESSEE improvements on said land as an enhancement or detriment to said land value. Improvements and/or facilities of SUB-LESSEE not so condemned, appropriated and/or acquired shall be removed in accordance with Section 13 hereof.

17. **Successors and Assigns.**

17.1 The terms, covenants and provisions hereof shall inure to the benefit of and be binding upon the successors and assigns of SUB-LESSEE and the ORIGINAL LESSOR and the successors and assigns of SUB-LESSEE.

17.2 However, SUB-LESSEE shall not transfer, assign, encumber or sublet this Sub-Lease or any part of the premises or any part of the premises or any rights and privileges herein granted except to a subsidiary, parent or common controlled affiliate as approved by SUB-LESSEE. This covenant shall also apply whether such sale or transfer is made voluntarily by SUB-LESSEE or involuntarily in any proceeding at law or in equity to which SUB-LESSEE may be a party whereby any of the rights, duties and obligations of SUB-LESSEE shall be sold, transferred, conveyed, encumbered, abrogated or in any manner altered, without the prior notice to and consent of the ORIGINAL LESSOR and SUB-LESSEE. In the event of any such unauthorized sale, transfer, assignment, sublease or encumbrance of this Sub-Lease, or any of the rights and privileges hereunder, the ORIGINAL LESSOR or SUB-LESSEE, at its option, may immediately terminate this Sub-Lease by giving SUB-LESSEE or any such assignee written notice of such termination and LESSOR or SUB-LESSEE may thereupon enter and retake possession of the premises.

18. **Severability.** It is understood and agreed that this Sub-Lease is executed by all parties under current interpretation of any and all applicable federal, state, county, municipal or other local statute, ordinance or law. Further, it is understood and agreed that each and every separate division (paragraph, clause, item, term, condition, covenant or agreement) herein contained shall have independent and severable status from each other separate division or combination thereof for the determination of legality so that if any separate division herein is determined to be unconstitutional, illegal, violative of trade or commerce, in contravention of public policy, void, voidable, invalid or unenforceable for any reason, that separate division shall be treated as a nullity but such holding or determination shall have no effect upon the validity or enforceability of each and every other separate division herein contained or any other combination thereof.

19. **Breach or Waiver.** If under the provisions hereof SUB-LESSEE shall institute proceedings and a compromise or settlement thereof shall be made, the same shall not constitute a permanent or general waiver of any covenant herein contained nor of any of SUB-LESSOR's rights hereunder. No waiver by SUB-LESSOR of any breach of any covenant, condition or agreement herein contained shall operate is a permanent waiver of such covenant, condition or agreement itself or of any subsequent breach thereof. No payment by SUB-LESSEE or receipt by SUB-LESSOR of a lesser amount than the monthly installments
of rent herein stipulated shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or letter accompanying a check for payment of rent be deemed an accord and satisfaction and SUB-LESSOR may accept such check or payment without prejudice to SUB-LESSOR's right to recover the balance of such rent or to pursue any other remedy provided in this Sub-Lease. No re-entry by SUB-LESSOR after a breach shall be considered an acceptance of a surrender of the Sub-Lease.

20. **Train Protection.** In case of any construction work which may be performed by the SUB-LESSEE at or near the ORIGINAL LESSOR's tracks or facilities, the SUB-LESSEE agrees to notify SUB-LESSOR and the ORIGINAL LESSOR forty-eight (48) hours in advance and further agrees to pay the cost of such supervision or train protection as, in the sole discretion of the ORIGINAL LESSOR, may be necessary or proper for the sale operation of trains.

21. **Snow and Ice Removal.** It is hereby understood and agreed that the ORIGINAL LESSOR shall not at any time be responsible for the removal of snow and/or ice on or about the leased premises. Such snow and/or ice removal shall be at the sole risk and expense of the SUB-LESSOR and shall be performed in such a manner so as not to obstruct or interfere with any of the ORIGINAL LESSOR's operations on or about the leased premises, including the ORIGINAL LESSOR's own snow removal operations. In carrying out the foregoing, the SUB-LESSOR shall not plow, place, dump or deposit snow onto or upon the property of the ORIGINAL LESSOR, nor shall the SUB-LESSEE permit nor tolerate any of the foregoing.

22. **Fiber Optics.** It is the responsibility of the SUB-LESSEE to have knowledge of, locate, and protect against damage to fiber optic cables along, across or under the Railway's property and right-of-way. Any damage to or disruption of any fiber optic cable will be the sole responsibility of SUB-LESSEE, which will indemnify and hold harmless the Railway for any expenses resulting therefrom. Before any construction may commence, the following number, where applicable, must be called: **DIG SAFE 1-800-362-2764** provided that calling such number or numbers shall not release or otherwise diminish the remaining obligations of SUB-LESSEE hereunder.

23. **Environmental Compliance.**

23.1 SUB-LESSEE represents that it has conducted a complete inspection of the Premises and except as noted herein, finds the Premises to be reasonably free from pollution-induced conditions. It is understood between the parties that, at the time this Sub-Lease is entered into, the condition of the premises meets all federal, state, and local laws, rules, and regulations designed to prevent or control the discharge of substances into the land, water and air.

23.2 Without limiting any other provisions of this Sub-Lease, SUB-LESSEE will at all times maintain and keep the Premises and all improvements and property now or hereafter erected or placed thereon, at its expense, including but not limited to the structures,
equipment, and operations, in compliance with all federal, state, and local laws, rules and regulations designed to prevent the discharge of substances on the land, water, or air.

23.3 Without limiting any other provision this Sub-Lease, SUB-LESSOR and ORIGINAL LESSOR shall have the right to enter and inspect the Premises in order to determine whether SUB-LESSEE is complying with such laws, rules, or regulations, but no such inspection or absence of inspection by the SUB-LESSOR or the ORIGINAL LESSOR shall be construed to relieve SUB-LESSEE of its obligations to comply with all such laws, rules or regulations.

24. **Quiet Enjoyment.** Nothing herein contained shall imply or import a covenant on the part of SUB-LESSOR or ORIGINAL LESSOR of quiet enjoyment.

25. **Hold-Over Clause.** If SUB-LESSEE, with consent of SUB-LESSOR, holds over and remains in possession of demised premises after expiration of said term, this Sub-Lease shall be considered as renewed and shall continue in effect upon the same terms and conditions as are herein contained until terminated by either party giving the other written notice of intention to terminate same in the manner herein provided and with like effect.

26. **Notices.** Any notice or other communication required to be given to a party hereto shall be in writing and either hand-delivered or mailed by registered or certified mail, return receipt requested, postage prepaid, addressed as set forth below. For all purposes hereunder, "receipt" shall be deemed to occur on the date of actual receipt.

**As to SUB-LESSOR:**

CITY OF KENT, OHIO  
c/o City Manager  
301 South Depeyster Street  
Kent, Ohio 44240

**As to SUB-LESSEE:**

HAYMAKER FARMERS' MARKET

27. **General Provisions.**

27.1 A determination that any part of this Agreement is invalid shall not affect the validity or enforceability of any other part of this Agreement.

27.2 This Agreement shall be governed by the laws of the State of Ohio.

27.3 Section headings are inserted for convenience only and shall not affect the construction or interpretation of this Agreement.

27.4 This Agreement contains the entire agreement of the parties and supersedes any prior written or oral understandings, agreements or representations.

27.5 This Agreement may not be amended, waived or discharged except by an instrument in writing signed by the parties.

RE: 2019 Celebrate Kent! Grant Program

The Request for Proposals (RFP) for the 2019 Celebrate Kent! Grant Program was issued on February 12, 2019 and the City received a total of seven (7) proposals from three (3) different organizations requesting funding for eleven (11) events. The total amount of funding requested was $15,000, which is equal to the $15,000 that had been appropriated for the 2019 Celebrate Kent! Grant Program so staff was able to allocate full funding to all seven (7) eligible requests.

Attached is a summary table of the funding requests along with the staff’s recommendation of the amount to fund for each request. Also attached are the application and eligibility guidelines which were included in the 2019 Celebrate Kent! RFP package.

I am respectfully requesting time at the April 3, 2019 Council Committee session to present the staff funding recommendations to the members of Council and to request, with emergency, approval of the proposed grant funding allocations.

Please let me know if you have any questions concerning the attached materials or if you need any additional information on the 2019 Celebrate Kent! Grant Program in order to include this item on the agenda.

Thank you.

SUBJECT: Celebrate Kent! Program Request for Proposals

Attached is a Request for Proposals (RFP), application and statement of success form for the City’s Celebrate Kent! Grant Program. If you would like the City to mail you a hard copy of the application and supporting documentation, please send me an e-mail at wilket@kent-ohio.org listing “Celebrate Kent!” in the subject line and I will get a copy in the mail to you.

Please be aware that the total funding available to support all Celebrate Kent! projects is $15,000 for FY 2019. If you have any questions, please do not hesitate to call me. The deadline for this year’s round of funding is Friday, March 8, 2019 at 4:00pm.

We look forward to reviewing this year’s Celebrate Kent! Proposals.

REQUEST FOR PROPOSALS

The City of Kent is accepting applications from qualified applicants for the FY 2019 round of the City’s Celebrate Kent! Grant Program for events that take place between April 1, 2019 and March 31, 2020. Attached is a brief description of the program. The submission deadline for organizations interested in applying for funding is March 8, 2019 at 4:00 p.m.

The total funding available to support all Celebrate Kent! projects is $15,000 for FY 2019.

All applications received by the stated deadline will be reviewed by the Economic and Community Development Departments to verify submitted applications are complete and to determine the eligibility of proposed projects. A list of recommended projects and grant funding levels will be developed and then forwarded to the Kent City Council for consideration and funding approval.

As proposals are evaluated, greater weight will be given to the following factors:

- The past attendance for previously held events based on submitted statements of success
- Previously held events that are expanded to attract new attendees
- New events designed to attract first time visitors to downtown Kent
- Events that are staged in a public space(s) near multiple downtown businesses
- Events that are staged in multiple downtown private venues

Questions concerning the Celebrate Kent! Grant Program should be directed to Tom Wilke at 330-676-7582 or via email at wilket@kent-ohio.org.

COMPLETED PROPOSALS SHOULD BE RETURNED TO:

Celebrate Kent!
PROGRAM GUIDELINES

PROGRAM GOAL:

To provide new opportunities to celebrate the quality of life enjoyed by City of Kent residents and share with those outside of the community the attributes that make Kent a unique and exciting place to work, play, learn and live.

OBJECTIVES:

1. Attract Kent residents, and visitors from other communities, to downtown activities and events.
2. Promote the City’s attributes to those outside of the City.
3. Create additional commercial opportunities for businesses operating in the downtown district.

PROGRAM REQUIREMENTS:

1. The project needs to be oriented towards attracting people to the Kent downtown district and must be held within the downtown district.
2. Applicants must be, or represent, a Kent company or organization.
3. Funding is intended to support verifiable program expenses which includes hard costs such as materials, advertisements, flyers, printing, etc. Funding for administrative purposes such as salaries, general office supplies, agency overhead, payment for services provided by applicant employees or representatives, etc. will not be considered eligible project costs.
4. At the completion of the event(s) the applicant must submit a Statement of Success report to the City of Kent summarizing and documenting the results of the event(s), and explaining how the stated program goals and objectives were met.
5. Grant funds will be disbursed on a reimbursement basis only for eligible expenses as identified in the Project Description and Project Budget sections of the submitted application. All invoices must be for good or services specific to the event only and must specify the quantity of the item or service provided. All eligible expenses must be documented through third-party invoices and proof of payment. Hand written receipts or bills that are not formalized company invoices will not be accepted. No disbursements will be authorized until the report mentioned in item number 4 has been received by the City of Kent.
6. Each dollar of grant funding must be matched with one-dollar from another source, or two-dollars of in-kind contribution. A combination of both cash and in-kind contributions is permissible; however, separate and distinct accounting procedures must be maintained for each of the two sources. Evidence of all matching contributions, be they in-kind or cash, must be verifiable, and accepted by the City of Kent prior to reimbursement.
7. Grants must be completed within one year of the date of the executed grant agreement. The final invoice for payment must be submitted no later than 60 days after the funded event occurs or the applicant will forfeit their grant funds.
8. All 2019 Celebrate Kent! Grant agreements must be signed within 30 days of notification of grant award.
9. If an organization is submitting an application for multiple events, it should submit one application covering all of the events.

RE: East Main Street – Purpose and Need Statement

The Service Department is requesting council’s time and consideration of the attached purpose and need statement for East Main Street. The purpose and need statement is a document used for the most impactful federally funded roadway projects. A purpose and needs statement was established and approved by previous City Councils for Summit Street and the Fairchild Avenue Bridge Project. The document defines the most significant needs in the project area that the project should be correcting and the nature in which they should be corrected.

The East Main Street Purpose and Need Statement was developed in conjunction with a Citizens Advisory Committee (CAC) and Kent State University (KSU). Several meetings with the CAC were held to determine the needs for the area. After the document was drafted, the CAC had time to review the document and a meeting was held to discuss the document and recommend changes to the document. The attached document reflects the combined efforts of the City Staff, KSU and the CAC to define the purpose and needs along East Main Street and the adjacent areas.

The final document will guide the design team, stakeholders and CAC in determining and evaluating alternates that we hope will be implemented along East Main Street in the near future. We appreciate Council’s consideration of the Purpose and Need and recommend it for approval.

EAST MAIN STREET AREA IMPROVEMENTS
PURPOSE AND NEEDS STATEMENT

Project Area – The project area is generally located along East Main Street from the Willow/Main/SR 59 intersection to the Horning/Main intersection. The project area also includes areas north and south of East Main Street to achieve the seamless integration and functionality of the East Main Street Corridor.

History – East Main Street in Kent, Ohio is one of the oldest streets in the City and as such has gone through several major changes throughout the history of Kent. Shown on maps from 1874, East Main Street was a rural roadway that provided connections to Ravenna with large tracts of land adjacent to the corridor. In 1919, East Main Street shows the beginnings of a modern street with sidewalks lining both sides, large stately homes with generous lawns lining the north side and Kent Normal College with a large park like setting on the south side.

Present - In 2019, East Main Street is a five lane roadway with automobile-oriented commercial establishments along most of the northern side and Kent State University along the southern side. Multi-modal accommodations are limited in this corridor with most of the right-of-way dominated by pavement for vehicular traffic. However, there exists significant pedestrian, bicycle and transit demands in the right-of-way with the presence of Kent State University along the corridor.
**Corridor Needs** — East Main Street currently ranks as the highest crash corridor in the Akron Metropolitan Area Transportation Study (AMATS) region (Summit and Portage Counties). Furthermore, the corridor is uninviting with minimal facilities for transit, pedestrians and bicyclists, and lacks the needed visual appeal to serve as a main gateway into the City of Kent and Kent State University. Lastly, at times vehicular traffic bypasses East Main Street in favor of residential streets in the Crain Avenue, University Heights and University Woods Neighborhoods. These bypassed trips are caused in part by the alignment of certain cross streets (i.e. Luther and Terrace Drive) and by vehicular delays along the corridor.

**Project Goals** - As can be seen in the above photos, the last 100 years has changed the character of East Main Street from a stately, less cluttered, stress free street to a busy street with many competing uses. This deterioration of the right-of-way was necessitated by traffic demands and the supported development along the corridor. The East Main Street Area Improvements project is an opportunity to reimagine this vital corridor to better serve the needs of City residents, transportation users, and the university community. The goal is to provide an aesthetically pleasing, stately, less cluttered, stress free street that meets the current demands of East Main Street’s users.

Throughout the planning, design and construction of this project, the project team should consistently ensure that project goals minimize possible negative impacts and accentuate positive impacts to residential neighborhoods, Kent State University, and access to the businesses along the corridor. This project should build on the transportation planning and other principles used in the Summit Street and Crain Avenue Projects, the City’s Bicentennial Comprehensive Plan, and the Kent State University 2018 Gateway Master Plan. The East Main Street Area Improvements project must integrate the concepts from these plans along with input from the Citizens’ Advisory Committee (CAC), the Stakeholders and public meetings.

This project will be successful if it achieves the following:

A. Jointly Improves safety and aesthetics (as a function of safety) for all users
B. Balances vehicular congestion with improvements to other modes of transportation (pedestrian, bike and transit)
C. Enhances adjacent neighborhoods
D. Integrates with Kent State University’s 2018 Gateway Master Plan
E. Provides reasonable access to adjacent properties and side streets

**Project Considerations**

- **Safety**: Reduce the number and severity of all types of crashes on East Main Street, including vehicle, bicycle, and pedestrian crashes.
  - Reduce crashes due to turning movements onto and off of East Main Street;
  - Provide safe and convenient pedestrian and bicycle facilities.
  - Implement aesthetic features that also increase safety, such as large tree canopies that encourage motorists to drive slower.
• **Vehicular Congestion and Multi-modal Facilities**: Balance the competing needs between efficient vehicular movements and safe, convenient facilities for other modes of transportation, including bicycle, pedestrian and transit.
  - Strengthen the multi-modal nature of the corridor, in part by improving the “last mile” non-vehicular facilities to the Kent Central Gateway, which is the regional transit hub in Portage County;
  - Evaluate congestion due to turn movements along the corridor;
  - Provide facilities to not only improve cyclist and pedestrian crossings on East Main Street, but also to reduce their fear of crossing the Street;
  - Provide facilities to improve cyclist and pedestrian travel along both sides of East Main Street, with an emphasis at intersections and drives;
  - Provide transit facilities along the corridor, which may include bus pull-offs and shelters;
  - Consider future mobility options and technology improvements;
  - Optimize signal timings based on corridor improvements;

• **Neighborhoods**: Enhance adjacent neighborhoods along East Main Street.
  - Minimize traffic bypassing East Main Street through the neighborhoods;
  - Investigate efficient ways to slow traffic through the neighborhoods;
  - Consider possible infrastructure solutions to address concerns with student housing and parking in the neighborhoods;
  - Improve pedestrian facilities at crossings and improve pedestrian travel along East Main Street, so that the neighborhoods can have transportation options to use facilities within walking/biking distance;
  - Provide for reasonable delays to motorists when entering East Main Street from unsignalized streets.

• **Kent State University**: Integrate improvements along East Main Street with the construction of a signature gateway to Kent State University that serves as an extension of the newly designed iconic Front Campus entrance.
  - The project must consider the effects of the 2018 Gateway Master Plan to ensure that there is no adverse increase in congestion along the corridor;
  - Work with Kent State University to integrate the improvements along East Main Street with the 2018 Gateway Master Plan (e.g. Midway Entrance; parking deck, Captain Brady Corner) to maximize the neighborhood and corridor aesthetics and functionality.

• **Access**: Maintain access to businesses, neighborhoods and Kent State University throughout the corridor.
  - Provide reasonable access to businesses through access management, while considering safety and congestion along the corridor;
  - Provide reasonable access to neighborhoods and Kent State University while considering safety and congestion at intersections.

• **Other**: Where possible, the project should consider future technology, noise pollution, and operating speeds on East Main Street.
  - As part of the project, the operating speeds along East Main Street will be investigated;

RE: Canoe Livery Lease Renewal

* MESSAGE *

The Parks & Recreation Board authorized, at the March 21, 2019 Board Meeting, the recommendation to City Council to renew the lease for Canoe Livery Operations at the John Brown Tannery and request that Council authorize the waiving of the bidding requirements for this lease. They have been operating the livery for the past seven years and the last two times this lease was publicly bid we only received on bidder. They have an excellent safety record and partner with Parks & Recreation on a variety of other programs and facility use.

Last season (2018) marked the third and final year under the existing lease. In order to provide more stability we are requesting that City Council waive the bidding requirements and allow us to enter into a long term lease with KSU. The lease proposes a five year term with a five year renew option. Rather than continuing to charge rent + 10% of gross sales I am proposing we go to a flat fee. The revenues have ranged over the past 7 years from $2,500 to $4,500 annually. The proposed payments for this lease are as follows: $4,000 (2019), $4,500 (2020), $5,000 (2021), $5,000 (2022) and $5,000 (2023).

Your assistance in this matter is sincerely appreciated. If you have any questions please let me know.

RE: Lease Renewal for 1250 West Main Street Fitness Center Lease

* MESSAGE *

This May the three year lease for the Fitness Center located at 1250 West Main Street is expiring. I have negotiated an extension for this lease under the same terms with a rent increase of $50/Month ($2,750) for 2019 and 2020 and an additional $50/Month ($2,800) beginning in May of 2021. The current rent is $2,700/Month.

Your assistance in this matter is sincerely appreciated. If you have any questions please let me know.

Mr. Ruller,

Ms. Rosenberg requested Committee time for the consideration of allowing paid time off for employees to vote during work hours. There was a request that I look at the issue with particular attention to the unionized employees. If this is something that Council would like to achieve we can do it. I usually prefer to wait until negotiations to confer benefits upon union employees but that is certainly not mandatory.

Revised Code section 3599.06 requires that an employer provide a reasonable amount of time off for its elector employees to vote. There is no indication in the statute that requires the time off to be paid; however, if Council would like to allow for a reasonable amount of paid leave that could be achieved as well. Especially in the Fire, Police and Emergency Snow services, I believe that a procedure would need to be implemented so that voting could occur at the beginning or end of a shift so that overtime employees could be held over to cover for the voting employee. Also, a reasonable time limit should be set. I believe two hours would be a sufficient amount of time. Even employees who live in other counties could vote and get to Kent in that amount of time. If more time is needed the employee could add their own time off.

I hate to mention this, but we will also need to make sure that the employee is an elector. Perhaps, the employee can bring in an “I voted” sticker or the supervisor can check the county board of election for each employee’s name as a registered voter.
ORDINANCE NO. 2019 -

AN ORDINANCE APPROVING ELECTOR EMPLOYEES PAID TIME OFF, KNOWN AS VOTING TIME OFF, NOT TO EXCEED TWO (2) HOURS ON EACH ELECTION DAY TO VOTE AT THE EMPLOYEE'S POLLING LOCATION; AUTHORIZING DEPARTMENT DIRECTORS TO IMPLEMENT PROCEDURES FOR THE MOST EFFICIENT USE OF LABOR AND TIME OFF, AND DECLARING AN EMERGENCY.

WHEREAS, Council encourages all of its employees to exercise their right to vote as each employee sees fit; and

WHEREAS, Revised Code Section 3599.06 requires that employers allow elector employees a reasonable amount of time off to vote in each election; and

WHEREAS, it is the desire of Kent City Council to provide paid time off for each elector employee to use for the reason of voting.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Kent, Portage County, Ohio, at least three-fourths (3/4) of all members elected thereto concurring:

SECTION 1. That Kent City Council hereby elector employees paid time off, known as Voting Time Off, not to exceed two (2) hours on each Election Day, whether general, primary or special, to vote at the employee's polling location. Each Department Head, with the advice of the Human Resources Department, shall implement procedures for the most efficient use of labor and time to allow all elector employees to vote and to ensure that only elector employees are permitted time off.

SECTION 2. That it is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council and that all deliberations of this Council, and of any of its committees that resulted in such formal actions, were in meetings open to the public in compliance with all legal requirements of Section 121.22 of the Ohio Revised Code.

SECTION 3. That this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the residents of the City, and for the further reason that this Ordinance is required to be immediately effective in order to allow elector employees to use this benefit during spring elections, for which reasons and other reasons manifest to this Council this Ordinance is hereby declared to be an emergency measure and shall take effect and be in force immediately after passage.

RE:      Appropriations Requests

The Service Department is requesting the following appropriations increases. All of the items listed below have been reviewed and approved by City Council at previous meetings.

- **Sidewalk Pilot Programs** – We are requesting $30,000 from the capital (301) fund for the implementation of two pilot programs intended to give property owners additional options in maintaining the sidewalks adjacent to their property. This item was presented to council at the January, 2019 committee meeting.

- **Cuyahoga River Stanza Agreement** – We are requesting $15,000 from the capital (301) fund for the installation of public art in the downtown area. This installation is being done in partnership with Main Street Kent and the Kent State University Wick Poetry Center. This item was presented to council at the March, 2019 committee meeting.

- **East Main Street Area Agreement Amendment #1** – We are requesting $75,000 from the capital (301) fund to continue planning for improvements in the East Main Street Area. This planning work is being done in conjunction with Kent State University and the $75,000 requested will be reimbursed in total by Kent State University. Therefore, the net impact to the capital (301) fund will be $0. This item was presented to council at the March, 2019 committee meeting.

Therefore the total impact to the capital (301) fund is shown below:

RE: Salt PO

Last year 2018 we entered a purchase order (2018-0534) in the amount of $175,000.00 to Cargill Salt Company. We ordered salt and was delivered $71,214.04, leaving a balance of $103,785.96.

Cargill informed us that they will not deliver us any more salt, so we must find another vendor. We will release our purchase order from the previous year. Please carry the remaining balance of $103,785.96 forward and amend our 2019 budget.

Subject: Appropriation of Funds

The emergency siren replacement project 2013KPD003 (2017) was discussed in 2018 during our conversations when finalizing the capital budget for $60,000 to replace the two old sirens at Mogadore and Stonewater. We replaced the other two in 2014 with an upgraded system and haven't been able to fully utilize that system without all the sirens upgraded.

I believe that an oversight of this project budget failed to appropriate the necessary funds for 2019. Therefore, I am requesting an appropriation of funds in the amount of $60,000 to complete this project with purchase and installation.

Thank you for the consideration and should you have any questions, please do not hesitate to call me.
The new City website capital project appropriation needs to be carried over to 2019. This project is critical to allow City administrators and staff to effectively communicate to residents and visitors in a way that resonates with the brand and lifestyle of Kent.

Many residents now receive primary information from web-based sources and a new website would accommodate their expectations and allow the City of Kent to do our jobs better by reaching more residents faster, and through more channels.
