TARA GRIMM, CMC
CLERK OF COUNCIL
Nuisance Abatement Agreement

This Agreement is entered into this ___, 20__, by the Portage County Land Reutilization Corporation, an Ohio nonprofit corporation (the “Land Bank”), and the City of Kent, Portage County, Ohio (“Kent”) (collectively, the “parties”).

Whereas, the Land Bank has adopted a Demolition Assistance Program to assist, as applied here, Portage County municipalities in abating insecure, unsafe, or structurally defective structures that they have declared to be a public nuisance by funding and causing such structure(s) to be removed at no cost to the municipality (the “Program”);

Whereas, Ohio R.C. 1724.02(I) allows the Land Bank to contract with Kent to provide such nuisance-abatement assistance and Ohio R.C. 715.261(E) allows Kent to contract with the Land Bank as set forth in this Agreement;

Whereas, Kent has declared the structure at 210 Harris Street, Kent, Portage County, Ohio, PPN 17-007-10-00-017-000, as more fully described in Exhibit A, to be a public nuisance and has obtained a settlement agreement from the property owner, Michelle L. Setlock, authorizing the demolition of the structure, a copy of the agreement is attached as Exhibit B; and its legal advisor has opined that Kent, or its agent, has the authority to remove the structure, see opinion attached as Exhibit C;

Whereas, in addition, Kent has declared the structure at 249 1/2 Lake Street, Kent, Portage County, Ohio, PPN 17-031-21-00-045-000, as more fully described in Exhibit D, to be a public nuisance and has obtained a settlement agreement from the property owner, Patrick M. DeGregio (and the neighboring property owner, Amy M. Waples, because the structure encroaches on her property), authorizing the demolition of the structure, a copy of the agreement is attached as Exhibit E; and its legal advisor has opined that Kent, or its agent, has the authority to remove the structure, see opinion attached as Exhibit F;

Whereas, the structure at 210 Harris Street and the structure at 249 1/2 Lake Street are referred to as the “Nuisance Structures” in this Agreement;

Whereas, Kent has applied under the Program because the Nuisance Structures are eligible and subject to removal but it lacks the funds to remove them;

Whereas, by this Agreement, the parties desire to set forth the terms and conditions under which the Land Bank will act as agent for Kent in causing the removal of the Nuisance Structures, at no cost to Kent; and

NOW, THEREFORE, the parties, intending to be legally bound by this Agreement, and for the purposes set forth, do declare and agree as follows:

(1) Agent. Per the terms and conditions of the Program and the additional terms and conditions set forth in this Agreement, Kent appoints the Land Bank as its agent to cause the removal of the Nuisance Structures at no cost to Kent, as follows:
(a) The Land Bank will fund and cause the removal of the Nuisance Structures by an Independent contractor in accordance with all applicable federal, state, and local rules and regulations;

(b) The Land Bank will cause the site to be reasonably graded and seeded and clean of all debris associated with the removal of the Nuisance Structures;

(c) The Land Bank will account but not record all costs incurred in performing its services rendered under this Agreement. Notwithstanding Ohio R.C. 715.261, neither Kent nor the Land Bank will assess the removal costs against the properties at 210 Harris Street and 249 1/2 Lake Street per the settlement agreements (Exhibits B and E); and

(d) The Land Bank will perform its services under this Agreement within a reasonable time, not to exceed 180 days from the date of this Agreement, unless the parties agree otherwise.

(2) Defend. Kent represents that it has complied with the law in declaring the Nuisance Structures to be a public nuisance and has obtained the settlement agreements authorizing the removal of the Nuisance Structures by Kent, or its agent, and thereby agrees to defend and hold harmless the Land Bank, as its agent, and its officers and independent contractors, against all liabilities, claims, or demands for injuries or damages to any person or property arising out of or connected with any actions or inactions of Kent in declaring the Nuisance Structures to be a public nuisance or entering into the settlement agreements. Kent understands and agrees that the Land Bank has relied on this representation and the opinion of its legal counsel in entering into this Agreement.

WHEREFORE, the parties have signed this Agreement in Portage County, Ohio on the date first about written.
