If no such laws, rules, regulations or industry guidelines are applicable to the Improvement, then responsible engineering practices shall be the control.
(B) If the surface of the ground in the Easement Area is disturbed at any time, Grantee shall provide necessary fill, re-sod or re-seed any grassed areas, and make such repairs and replacements for a period of not less than one (1) year after the date of such disturbance as may be needed to restore the ground to its former condition or pay State for all damages caused thereto.

(C) Grantee shall notify State immediately when any installation belonging to a party other than Grantee, or any unusual condition, is encountered in the Easement Area.

(D) Grantee shall prior to the commencement of any work permitted hereunder obtain and thereafter maintain, at its sole cost and expense, all licenses, permits, etc. required by law with respect to said work or the Improvement.

(E) State or Agency may locate, relocate, install, construct, reconstruct, maintain, operate, repair, remove, use and place property improvements in, on, over, under, across, through and upon the Easement Area, so long as State's or Agency's improvements do not unreasonably impair the strength of or unreasonably interfere with Grantee's ability to use the Easement Area and maintain its Improvement.

(F) Grantee shall comply with the provisions of Chapter 4115 of the Ohio Revised Code, Prevailing Wage Requirements, as applicable.

(G) Grantee shall maintain and repair its Improvement at its own cost and expense on a continuous and ongoing basis for the term of this Agreement. Any maintenance and repairs shall be performed in a good and workmanlike manner.

(H) No improvements, other than the mounting of the radio telecommunications antenna array by NCW as set forth in the Lease, and the antennas permitted to be installed by Grantee and the State therein, may be performed on this easement without the written approval of the State as to the aesthetics, which approval shall be in the sole discretion of the State.

V. LIABILITY.

Grantee shall indemnify and hold State harmless, so far as permitted by Ohio law, from any claims, demands, causes, actions and damages arising out of any act, omission or neglect by Grantee or any of its successors, assigns, agents, servants, employees, contractors, subcontractors and invitees ensuing from or in connection with Grantee's occupation and use of the Easement Area and operation or maintenance of the Improvement. Nothing contained herein shall be deemed to be a waiver by State of any legal or factual defenses, which State may enjoy.

The provisions of this Paragraph V shall survive the expiration or termination of the term of this Agreement.

VI. INSURANCE.

At all times during the term of this Agreement, Grantee shall maintain commercial general liability (CGL) insurance with a limit of not less than $1,000,000 for each occurrence. CGL insurance shall

Any failure to comply with this reporting provision may constitute a default of this Agreement. State reserves the right to approve or reject levels of self-insured retention, captive insurance, or any other alternative risk-financing program. By requiring insurance herein, State does not represent that the coverage and limits will be adequate to protect Grantee and such coverage and limits do not represent or serve as a limitation on Grantee’s liability under the indemnities granted to State under this Agreement.

VII. MECHANIC'S LIENS.

(A) Nothing contained in this Agreement shall be construed as constituting State’s consent, express or implied, to or for the performance of any labor or services or furnishing of any materials for the installation, construction, reconstruction, usage, operation, maintenance, repair, replacement or improvement of the Easement Area or any portion thereof or the Improvement or any portion thereof.

(B) Grantee shall not allow any liens or encumbrances to be filed against the Easement Area, or any portion thereof, other than (i) liens created by or resulting from any act or status of State or failure by State to perform any obligation not required to be performed by Grantee hereunder, or (ii) liens created by or resulting from any act or status or failure to act by Grantee to which State shall have expressly consented in writing. Grantee may not assign or transfer this Agreement, in whole or in part, without the prior written consent of the State, whose consent may be withheld for any reason. Should consent to any such assignment be approved, Grantee shall notify the Agency. Any approved assignment or transfer shall not relieve Grantee of its obligations and duties under the terms, covenants and conditions of this Agreement. Grantee shall cause any assignee or transferee to expressly assume, and by reason of such assignment or transfer shall be deemed as having assumed, all of the obligations and duties of Grantee hereunder.

X. TERMINATION.

This Agreement may be terminated by State upon ninety (90) days’ notice given to Grantee if the Easement Area, or any portion thereof, is needed by State for any public or quasi-public use or purpose. On or before the date stated in such notice of termination, Grantee shall remove, or cause the removal of all component parts of the Improvement and restore the Easement Area to its original condition, at its own cost and expense, if State so requests. Grantee shall have no claim against State for the value of any unexpired portion of the original term of this Agreement or for the Improvement. Upon termination of this Agreement, State shall have the immediate right to re-enter and repossess all or any portion of the Easement Area.

This Agreement may be terminated at any time by Grantee by delivering written notice to State and Agency setting forth the date Grantee intends to terminate. Upon either the voluntary termination of this Agreement, or the end of the term hereof, Grantee shall remove all of the Improvement prior to termination, at its own cost and expense, if State so requests, and shall restore the Easement Area to its original condition, unless otherwise agreed to in writing by State and Agency. Grantee's obligations hereunder shall continue until such time as the Improvement is fully removed and the Easement Area fully restored as required herein, notwithstanding the stated date of termination in the notice provided by Grantee, or in the Agreement. Failure to remove the Improvement shall not be considered an extension of the term of the Agreement. No portion of any consideration paid pursuant to the terms of the Agreement will be refunded to Grantee.

XI. DEFAULT.

(A) State may find Grantee in default of this Agreement when any one or more of the following events shall have occurred and shall not have been remedied as hereinafter provided: (i) Grantee's failure to make any payment required to be paid by Grantee when the same shall become due and payable or (ii) Grantee's failure to perform or observe any other covenant, term, or condition herein contained on Grantee's part to be performed or observed.

(B) If the State finds Grantee to be in default under Paragraph XI(A), Grantee must cure such default within fifteen (15) days after the giving of notice to Grantee by State of such failure. If Grantee proceeds to promptly and continuously cure the same default with due diligence, then upon receipt by State of notice from Grantee stating the reason that such default cannot be cured within fifteen (15) days and stating that Grantee is proceeding with due diligence to cure such default, the State may extend such time within which such default may be cured for such period as may be necessary to complete the curing of same with due diligence.
(C) If Grantee fails to cure such default, then State may give to Grantee, at State’s option, a notice of election to terminate this Agreement upon the date specified in such notice, which date shall not be less than ten (10) days after the date of such notice, and upon the date specified in such notice the term of this Agreement shall expire and terminate as fully and completely and with the same effect as if such date were the Expiration Date, and all rights of Grantee shall thereupon expire and terminate, and Grantee shall remove or cause the removal of the Improvements and restore the Easement Area to its original condition at its own cost and expense, if State so requests.

(D) Upon termination of this Agreement, State shall have the immediate right to re-enter and repossess all or any portion of the Easement Area.

(E) Upon the termination of this Agreement by reason of the happening of any event of default specified in this Paragraph XI, or in any other manner or circumstances whatsoever pursuant to legal process, by reason of or based upon or arising out of the occurrence of any such event of default under this Agreement, Grantee shall pay to Agency all sums required to be paid by Grantee up to the time of such termination.

The subsequent acceptance of any payment hereunder by State shall not be deemed to be a waiver of any preceding breach by Grantee of any term, covenant or condition of this Agreement.
