Haymaker Farmers’ Market
Walk Up Market Plan

Market Dates: Saturday, June 6th - Saturday, October 31st, 2020
9:00am-9:30am Open for vulnerable populations
9:30am-1:00pm Open for all customers

Market Site: Franklin Ave. parking lot (under Haymaker overpass) and on the street, with Franklin Ave. closed off from bike path to W. College St.

Market Responsibilities:
- The Market will mark 30’ spaces for vendors, which includes 6’ spacing between vendors. Vendors may keep their vehicles in their space, limiting vendor contact walking through the Market. Vendors arranged as a double lane of vendors in parking lot and a double lane of vendors on Franklin Ave.
- The Market will create two entrance/exit locations, on the Summit St side and the W. College St side, and will staff those locations with volunteers, controlling the number of people who are in the Market at a time. The maximum capacity will be limited to 150 customers in the Market area.
- The Market will make hand sanitizer stations available to customers and vendors at the Market, located at each entrance/exit location.
• The Market will limit customer foot traffic flow at the Market to continue in a single direction, passing every vendor. Vendor types will be grouped together so that customers do not need to circle to find vendors.
• The Market will continue token sales during the Market. All tokens will be sanitized weekly.
• All Market employees and volunteers will be required to wear a face mask while at the Market.
• Market programming will be cancelled. Music performances will be cancelled for the month of June (at this time) and non-profit and community groups will not be allowed to table at the Market.

City of Kent Responsibilities:
• The City of Kent will drop road barriers to close Franklin Ave, between W. College St. and the bike path, each Friday before the Market. The Market will move these into position on Saturday morning.
• The City will provide additional barriers to be used in managing traffic flow.
• The City’s Development Office will post no parking signs for the section of Franklin Ave. to be closed for 12am-2pm each Saturday. City Maintenance will remove vehicles.
• The City of Kent Health Department will visit the Market to review safety procedures during the Market and will provide additional guidelines as needed.

Vendor Responsibilities:
• Vendors will not come to market if sick or anyone in their household is sick
• Vendors must have two employees working at their booth during every Market. One person will handle products, one person will handle money.
• Vendors will wash hands before & after each Market and sanitize hands frequently during the Market.
• Vendors are required to wear masks covering their mouth and nose while at the Market.
• Wearing gloves at the Market is optional, but recommended.
• Vendors will have hand sanitizer available for customers to use as well. The Market will provide a limited supply to each vendor.
• Vendors accepting pre-orders will have pre-orders bagged, labeled and ready to go.
• Vendors will maintain 6' social distancing whenever possible. Vendors will arrange their display to maintain distance between customers and products, (such as keeping an empty table between customers and display).
• No Sampling of any food will be allowed.
• All vendors must sanitize their stands regularly, primarily wiping down tables, terminals, cash boxes, etc.
• Vendors will discontinue use of tablecloths and other porous materials. Vendors will be permitted to use baskets and display equipment made from wood, provided the customer does not have access to these items.
• Vendors should bring large signs with clear pricing, so shoppers can make decisions quickly. Vendors should display a ‘Do Not Touch’ sign. The market will have extra ‘Do Not Touch’ signs available for use if needed.
• Use only new paper or plastic bags for the packaging and sale of products. Customers will be permitted to bring their own reusable bags, but vendors will not be permitted to handle reusable bags from shoppers.
• All vendors should either refrain from using their phones or use appropriate washing/sanitizing methods when moving to and from another task and using their phone.
• No touching, shaking hands, hugging, or any other personal contact with your customers, even though we all miss each other!

Customers Responsibilities:
• Customers are limited to 150 in the Market at one time.
• Customers will wash hands or sanitize hands before entering the market. Stations will be provided at each entrance/exit.
• Customers should not come to the market if you or any member of your household is sick.
• Only one member of your household should come to the market to shop to help us maintain social distancing.
• Only one customer at a booth at a time - maintain 6' distance while waiting.
• Please do not touch products, the vendor will bag your items for you.
• If you touch a product, you bought it. DO NOT touch any products prior to purchasing! Rather allow the vendor to select and bag products you wish to purchase.
• Please cover your mouth and nose with a cloth mask to help protect everyone.
• Vendors will not touch reusable bags. If you carry one, vendor will hand you products in plastic bag to put into your own bag.
• Please use hand sanitizer at booth after transaction.
• Consider pre-ordering from vendors, in order to minimize time spent shopping at the Market.
• Customers shall wash produce before consumption.
• Pets are prohibited from the Market. Note: service animals are still permitted.
• Enter and exit the market through designated points. Our market is trying to manage traffic in a certain direction to assist with appropriate social distancing.
• Accept only new plastic or paper bags from vendors. You can use your own bags, but vendors may not handle them.
• Be patient and considerate. These are trying times for all of us and regardless of our own situation, we can be sure someone around us is struggling.

Re: Request Council Resolution to Certify Amounts and Rates

Please find attached a draft resolution accepting the amounts and rates of the City's various tax levies as determined by the Portage County Budget Commission, and further authorizing the necessary tax levies and certifying them to the Portage County Auditor. This is a recurring process that is required by Ohio Revised Code, Sections 5705.34 & 5705.35 to be submitted to the County Auditor before October 1st of each year.

Thank you in advance for your support of this request and the action being sought. Should there be any questions regarding this matter I would certainly be happy to respond accordingly.

CITY OF KENT AND KENT STATE UNIVERSITY MUTUAL AID AGREEMENT FOR EMERGENCY POLICE SERVICES AND JOINT POLICE PATROL AUTHORITY

THIS AGREEMENT made this ___ day of __________ 2020, by and between the City of Kent, Ohio, hereinafter called the “CITY”, acting pursuant to Ordinance No._______, passed __________, and Kent State University, hereinafter called the “UNIVERSITY”, acting pursuant to Board of Trustees resolution 2009-38.

WITNESSETH:

WHEREAS, the CITY and the UNIVERSITY maintain separate police departments pursuant to Sections 3 and 7 of Article XVIII of the Ohio Constitution and the Ohio Revised Code Section 3345.04 and 3345.041 respectively; and

WHEREAS, the CITY and the UNIVERSITY desire to provide for the mutual assistance and interchange and use of their police personnel and equipment in situations where one department needs and requests the assistance of the other; and

WHEREAS, the CITY, by virtue of Article XVIII of the Ohio Constitution, and the UNIVERSITY, by virtue of Ohio Revised Code Section 3345.041, are empowered to provide such mutual assistance by means of this Agreement;

NOW, THEREFORE, in consideration of the promises and obligations which are hereinafter set forth, the parties hereto agree as follows:

1) The law enforcement officers of the University shall have full authority to enforce both state laws and municipal ordinances while outside the jurisdiction of the University and in the Jurisdiction of the City if:

a) University officers observe violations or are responding to calls for services within the geographical boundaries of the joint patrol district, within the City of Kent. The joint patrol district is defined by the area described within the perimeter of the following streets: South Lincoln St. from Main St. southward to Summit St., west to S. Depeyster St., north to Haymaker Parkway, northeast to E. Main St., east to N. Lincoln St., north to Crain Ave., southeast to Wilson Ave., and southward to E. Main St., and westward on E. Main St. to the beginning point. The full right-of-way of each of these streets shall be included in the district; or

b) They are participating in a cooperative enforcement effort that has been approved in advance by the officers in charge of both jurisdictions; OR

c) Their assistance is requested by the police officer in charge of the city staff, and such assistance is approved by the police officer in charge of the University unless exigent circumstances necessitates the on-scene officer(s) to request the approval for assistance without delay.
2) The law enforcement officers of the City shall have the same authority provided to officers of the University within the same geographical boundaries of the joint patrol district, in other areas of the university upon approval as provided for in Section 1(b), or when their assistance is requested by the police officer in charge of the university staff and such assistance is approved by the police officer in charge of the City unless exigent circumstances necessitates the on-scene officer(s) to request the approval for assistance without delay.

3) The necessity, availability, and use of police equipment or personnel requested shall be subject to priority of use by the responding party within its own territorial limits. The discretion as to what police resources are necessary or available to the responding party for use in the emergency or disaster, lies solely with the Chief of Police of the responding party’s police department, or designate. It is agreed there shall be no reimbursement by either party for loss or damage to equipment of the other while engaged in activity pursuant to this agreement.

4) Further, the parties may enter into mutual assistance for criminal investigations, or other public safety related functions which transcend the individual jurisdictional boundaries of the individual agencies. In such a circumstance, the parties may agree to enter into written memoranda of agreement regarding the nature and scope of such a joint operation.

5) When the UNIVERSITY’s police officers are rendering assistance to the CITY in areas within the corporate limits of the CITY and not on UNIVERSITY property, they shall have full police authority commensurate with the authority enjoyed by the CITY’s police officers.

6) In the event police resources are actively engaged within the territorial limits of the requesting party and such responding resources are required in the home area, the right is reserved to withdraw any and all of such police personnel and equipment for servicing the home area. It is agreed that no liability shall arise in any event for a failure to respond to a police emergency from a requesting party or for the necessary withdrawal of police facilities by either hereto.

7) A reasonable charge, as mutually agreed upon by the parties, may be made or levied for the services furnished in non-emergency situations by either party pursuant to the Agreement. Each party shall assume the expense of loss or damage to equipment or apparatus that may occur while in the requesting party’s territorial limits or while responding to a call pursuant to this Agreement. The CITY will not indemnify and hold harmless the UNIVERSITY for any damages awarded by the Court of Claims in any civil action arising from any action or omission of any UNIVERSITY law enforcement officer acting pursuant to the Agreement. The UNIVERSITY will not indemnify and hold harmless the CITY for any damages awarded by the Court of Claims in any civil action arising from any action or omission of any CITY law enforcement officer acting pursuant to the Agreement. In addition, to the extent provided for in Ohio law, each party expressly waives any and all claims against the other party for compensation for any loss, damage, personal injury or death occurring as a result of or in connection with the performance of this Agreement. Nothing in this Agreement is intended to interfere with or waive the statutory rights and protections provided to each party including but not limited to immunity and indemnities provided by Ohio law.

8) All personnel of the responding agency, when responding to a call from a requesting agency, shall be acting within the scope of their employment of the requesting party while en route to, en route from and while acting within the territory of the requesting party and shall report promptly to the senior ranked officer of the requesting party or other officer requesting assistance.
9) When additional assistance is called, pursuant to the terms of this contract, the senior police officer of the requesting party present and in charge of the department of such party shall have full charge of and authority over any assisting equipment and personnel responding pursuant to such a call.

10) Police officers who are rendering emergency assistance to the other department shall be entitled to all the rights and benefits of the Chapter 4123 of the Ohio Revised Code and the police pension fund, as applicable, to the same extent as when performing services within their respective territories.

11) Radio communication between parties shall be conducted on radio frequencies shared by both parties.

12) Neither of the parties hereto shall be liable for any damages to the other party for failure to answer, neglect in answering any call for additional police protection, for inadequacy, negligent operation of equipment and apparatus, for any cause whatsoever growing out of such use of said equipment and apparatus, or lack of performance of duties by police department members. Neither of said parties shall be liable in any manner or event for damages for personal injuries suffered by any member of said police department of the other contracting party hereto.

13) This Agreement shall be in effect for the period beginning __________ through __________, provided however, that either party may withdraw from such mutual aid agreement upon giving the other party at least sixty (60) days prior written notice to such effect.

14) The parties agree herewith to an annual review of administrative procedures, policies, and their effects as may relate to the operation of this Agreement.

15) This Agreement contains the entire agreement between the parties hereto and shall not be modified, amended or supplemented or any rights herein waived, unless such amendment or modification to this Agreement is (1) in writing; (2) refers to this Agreement and (3) executed by an authorized representative of each party. This Agreement supersedes any and all previous agreements, whether written or oral, between the parties.

Subject: DORA Update

When Council approved the Kent Downtown Dora on June 17, it was with the understanding that the program would be revisited after 90 days when Council would evaluate the results and feedback to date and determine the future of the DORA. To that end, the following efforts have been made to gather feedback from the involved stakeholders for Council's consideration:

Main Street Kent surveyed the downtown liquor permit holders and received the attached comments which are generally very favorable. MSK intends to continue to survey the businesses and to pass along any relevant issues to City staff for action as needed.

I have interacted regularly with both the Police Department and the Health Department and both departments have reported NO issues directly related to the DORA. This includes no evidence of minor consumption of alcohol, a lack of outdoor social distancing or the presence of any excessive litter.

It was noted by both departments that other issues unrelated to the DORA do exist in downtown such as minor vandalism, "rowdyism" and lack of social distancing within some establishments. These issues existed before the DORA and appear to be unrelated to its implementation. The good news is that even these issues seem to be on the decline.

Hope Jones has indicated that a voice vote is all that is need for council to determine how to proceed with the DORA and based on the feedback received from the stakeholders, it does not appear that any changes are warranted.

Thank you for your consideration.

How has the DORA affected your business?
- Very positive impact - the ability to sell DORA beverages has helped tremendously - 40%
- Moderate impact - the ability to sell DORA beverages has helped somewhat - 50%
- No impact - the ability to sell DORA beverages has not helped at all - 10%
- Negative impact - the ability to sell DORA beverages has had a negative effect - 0%

What issues, if any, are you having with the DORA?
- At peak times when we're busy with lots of carryout, it becomes a little difficult with social distancing, but everybody is trying to cooperate.
- People's lack of awareness.
- People want larger cups.

What positive results are you seeing from the DORA?
- It's bringing people downtown that probably wouldn't so much at this time. They even bring lawn chairs, get a DORA and relax. DORA is all ages.
- 30-40% of sales are through DORA service - not sure if we'd have had those sales otherwise.
- People are stoked to have drinks outside.
- Older adults at our bar utilizing the DORA during the day to try our drinks and walk around.
- Selling a few more drinks.
- People are out and about!
- DORA has helped to expand capacity of our patio to serve additional guests. DORA allows for an enjoyable outdoor dining experience combined with the option to consume alcoholic beverages in a safe and socially distanced environment.
- New faces coming in!

Please share any other general DORA comments.
- I think it's a real positive benefit to the businesses and the people. It gives them a great escape. Thank you!!!
- I don't think DORA is hurting anything, but I don't see that it is actually driving greater sales.
- It's great! We just pulled the last two sleeves of cups out of the box.
- We've gotten a little business from people getting DORA drinks but only a few a day. I think it just needs to get out there a little more so people are aware of it. But at the same time, a lot of people don't feel safe going out, so there's only so much that can be done.
- Thanks for making this happen! What a good addition to encouraging people downtown.
- I think this new initiative has created a new buzz and excitement and is a benefit to our downtown businesses,
