ServSafe® 2018 Food Safety Training and Certification

Our ServSafe® Program provides updated information for employees on all aspects of food safety, from receiving through serving. This class delivers comprehensive training of key food safety concepts; the ServSafe® course book is the class for those managers and food service employees looking for more extensive food safety training. The ServSafe® 7th Edition contains the latest FDA Food Code updates and is based on a new job task analysis developed exclusively by industry experts. The book focuses intently on the preventative measures to keep food safe, leading to stronger food safety practices and a better trained workforce. The contents of the ServSafe® Course book go beyond the principles found in ServSafe® Manager Book! When you successfully complete this class and exam, you will receive both a Certificate from ServSafe® and a certification from the Ohio Department of Health. This is an ODH level two approved training. The cost per student is \$150.00, which includes all materials (study guide and book). www.ServSafe.com
